ACTION ALERT: YOUR COMMENTS NEEDED TO EXPAND ACCESS IN PT. REYES NATIONAL SEASHORE

Pt. Reyes National Seashore is one of Marin's most cherished natural assets. But for far too long, access in the park has been severely limited for people on bikes. Join MCBC today in calling on National Park Service to establish a plan to create new riding opportunities on trails, pathways, and ranch roads throughout the 28,000 acres of public lands it currently leases for ranching. **Act now; comments are due Monday!**
